'The COACH, The MAN, The MENTOR, & MUCH MORE to his STUDENTS'

"It's very hard day in our (TIAS students) life. We lost a good teacher, philosopher, guide, friend. You amazed us with your intellectuality, educated with your lectures, enlighten with philosophy, made us feeling relaxed with personal care/attention. Where we will find this in our life? It's very hard to find a person like you in our life who is most fittest in physique, down to earth attitude, intellectual discourses, best human being. You inspired us with your personality and you are our role model forever. It's a huge loss to TIAS and students. Your demise disheartened and disappointed us. You left us too early. Your loss is irreparable and your place cannot be filled by anybody." : TIAS student, 4th Batch

We're going to miss him a lot... a lot! but his teachings will not remain in vain, he will continue to be the living inspiration of so many students who admired him and loved him..."
